

vZone (Spine-Align)

Get some pressure point relief!

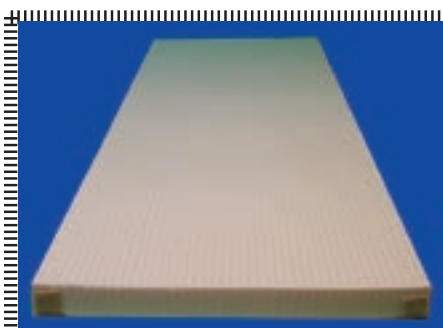

We guarantee our FloBeds unique vZone layer will provide the pressure relief your hips and shoulders need, as well as the exact right lumbar support!

To change lumbar/midbody firmness, change with head section
Or call FloBeds for special firmness.

If your hips need a different firmness, simply switch with foot section. Or call FloBeds for special firmness.

The vZone can be adjusted to your body.

Make one area firmer, one zone softer...
Each vZone has firmer and softer zones that can be switched...
and if you need an additional firmness,
call FloBeds.

patent pending
